2. Seller hereby represents and warrants to Purchaser that: (a) the Proof of Claim was duly and timely filed on or before 5:00 p.m. (prevailing Eastern Time) on November 2, 2009 in accordance with the Court's order setting the deadline for filing proofs of claim in respect of "Lehman Program Securities"; (b) the Proof of Claim relates to one or more securities expressly identified on the list designated "Lehman Programs Securities" available on <http://www.lehman-docket.com> as of July 17, 2009; (c) Seller owns and has good and marketable title to the Transferred Claims, free and clear of any and all liens, claims, set-off rights, security interests, participations, or encumbrances created or incurred by Seller or against Seller; (d) Seller is duly authorized and empowered to execute and perform its obligations under this Agreement and Evidence of Transfer; (e) the Proof of Claim includes the Purchased Claim specified in Schedule 1 attached hereto; and (f) Seller has not engaged in any acts, conduct or omissions, or had any relationship with the Debtor or its affiliates, that will result in Purchaser receiving in respect of the Transferred Claims proportionately less payments or distributions or less favorable treatment than other unsecured creditors.

3. Seller hereby waives any objection to the transfer of the Transferred Claims to Purchaser on the books and records of the Debtor and the Court, and hereby waives to the fullest extent permitted by law any notice or right to receive notice of a hearing pursuant to Rule 3001(e) of the Federal Rules of Bankruptcy Procedure, the Bankruptcy Code, applicable local bankruptcy rules or applicable law, and consents to the substitution of Seller by Purchaser for all purposes in the case, including, without limitation, for voting and distribution purposes with respect to the Transferred Claims. Purchaser agrees to file a notice of transfer with the Court pursuant to Federal Rule of Bankruptcy Procedure 3001(e) including this Agreement and Evidence of Transfer of Claim. Seller acknowledges and understands, and hereby stipulates, that an order of the Court may be entered without further notice to Seller

transferring to Purchaser the Transferred Claims, recognizing Purchaser as the sole owner and holder of the Transferred Claims, and directing that all payments or distributions of money or property in respect of the Transferred Claim be delivered or made to Purchaser.

4. All representations, warranties, covenants and indemnities shall survive the execution, delivery and performance of this Agreement and Evidence of Transfer of Claim and the transactions described herein. Purchaser shall be entitled to transfer its rights hereunder without any notice to or the consent of Seller. Seller hereby agrees to indemnify, defend and hold Purchaser, its successors and assigns and its officers, directors, employees, agents and controlling persons harmless from and against any and all losses, claims, damages, costs, expenses and liabilities, including, without limitation, reasonable attorneys' fees and expenses, which result from Seller's breach of its representations and warranties made herein.

5. Seller shall promptly (but in any event no later than three (3) business days) remit any payments, distributions or proceeds received by Seller in respect of the Transferred Claims to Purchaser. Seller has transferred, or shall transfer as soon as practicable after the date hereof, to Purchaser each Purchased Security to such account, via Euroclear or Clearstream (or similar transfer method), as Purchaser may designate in writing to Seller. This Agreement and Evidence of Transfer supplements and does not supersede any confirmation, any other automatically generated documentation or any applicable rules of Euroclear or Clearstream (or similar transfer method) with respect to the purchase and sale of the Purchased Security.

6. Each of Seller and Purchaser agrees to (a) execute and deliver, or cause to be executed and delivered, all such other and further agreements, documents and instruments and (b) take or cause to be taken all such other and further actions as the other party may reasonably request to effectuate the intent and purposes, and carry out the terms, of this Agreement and Evidence of Transfer, including, without limitation, cooperating to ensure the timely and accurate filing of any amendment to the Proof of Claim.

7. Seller's and Purchaser's rights and obligations hereunder shall be governed by and interpreted and determined in accordance with the laws of the State of New York (without regard to any conflicts of law provision that would require the application of the law of any other jurisdiction). Seller and Purchaser each submit to the jurisdiction of the courts located in the County of New York in the State of New York. Each party hereto consents to service of process by certified mail at its address listed on the signature page below.

IN WITNESS WHEREOF, this AGREEMENT AND EVIDENCE OF TRANSFER OF CLAIM is executed this 30th day of November 2010.

BREAKDOWN OF CLAIM

8. See Annex.

ANNEX

BREAKDOWN OF CLAIM: ISIN XS0282208718

The Claimant invested EUR 135,000 purchasing 135 notes issued by Lehman Brothers Treasury Co. B.V. on 22 January 2007 with ISIN code number XS0282208718 and whose maturity date was established to take place on 9 February 2010.

The Notes were issued under the "*US\$ 60,000,000,000 Euro Medium-Term Note Program of Lehman Brothers Holdings Inc., Lehman Brothers Treasury Co. B.V. and Lehman Brothers Bankhaus A.G.*" dated 9 August 2006 (the "**Program**"). The terms and conditions to be applied to this issuing are those appearing in the Program (the "**Terms and Conditions**").

According to the final terms dated 29 March 2007 (the "**Final Terms**") there is a final redemption amount to be paid on 9 February 2010 and which should be calculated by the Calculation Agent according to a formula attached to the Final Terms as an Annex.

The Final Terms also establish an early redemption amount (according to clause 8 (f) (*Early Redemption Amounts*) and clause 10 (a) (vi)) to be paid if an event of default occurs:

"In respect of each Note, an amount in the Specified Currency equal to the fair market value of such Note (disregarding credit risk of the Issuer) (which value shall be less the proportion attributable to that Note of the reasonable cost to the Issuer of unwinding any related hedging arrangements) on such day as is selected by the Calculation Agent in its sole and absolute discretion (provided that such day is not more than 15 days before the date fixed for redemption of the Note)."

The Calculation Agent was, in turn, Lehman Brothers International Europe, now in insolvency and unable to perform its role.

Thus, until such situation is solved for the time being our claim is for the principal invested. Since the "*Global notes pertaining to debtors' schedules and statements*" released by the United States Bankruptcy Court of the Southern District of New York set out on its section 7 that "otherwise indicated, all amounts are reflected in U.S. dollars" we have calculated the principal amount in U.S. dollars according to the average dollar-euro exchange rate as of 15 September 2008, published by the Federal Reserve Bank of New York on the website <http://www.ny.frb.org/markets/foreignex.html> (EUR = 1,4175

USD) and we have also calculated in Euros the additional interest just as established in the Terms and Conditions (and then in U.S. dollars according to the mentioned exchange rate).

Principal amount in U.S. dollars:

EUR 135,000 x USD 1,4175 = USD 191,362,50

-----CAPÍTULO II-----

CAPITAL SOCIAL Y TRANSMISIÓN DE LAS PARTICIPACIONES. -----

ARTÍCULO 5.- CAPITAL SOCIAL.- El capital social es

de TRES MIL DIEZ EUROS (3.010,00), totalmente desembolsado y dividido en TRES MIL DIEZ PARTICIPACIONES SOCIALES (3.010), de UN EURO (1,00) de valor nominal cada una, numeradas correlativamente desde la unidad. -----

Hasta la inscripción de la Sociedad o, en su caso, del acuerdo de aumento del capital en el Registro Mercantil, no podrán transmitirse las participaciones sociales. -----

ARTÍCULO 6.- TRANSMISIÓN DE PARTICIPACIONES SOCIALES.- -----

A) TRANSMISIÓN ENTRE VIVOS.- -----

A.1) Los socios podrán transmitir con entera libertad todas o algunas de sus participaciones sociales por acto entre vivos a título oneroso o gratuito en favor de su cónyuge, ascendientes o descendientes, sean o no socios. -----

A.2) En todos los demás casos la transmisión de las participaciones sociales se someterá a las siguientes normas: -----

a) El socio que se proponga transmitir su participación o participaciones deberá comunicarlo por escrito, por carta certificada con acuse de recibo o personalmente por instancia por duplicado,

dirigida a los administradores, haciendo constar el número y características de las participaciones que pretende transmitir, la identidad del adquirente y el precio y demás condiciones de la transmisión. -- Los administradores acusarán recibo o devolverán el duplicado de la instancia debidamente sellado, con la fecha de la comunicación. -----

b) En el plazo de diez días los administradores comunicarán a los demás socios la oferta de venta del socio que pretende enajenar, con las condiciones comunicadas, para que puedan ejercitar el derecho de adquisición preferente en un plazo de quince días a contar desde el recibo de la notificación. -----

Si son varios los socios que pretendan ejercitar el citado derecho de adquisición preferente, se distribuirán las participaciones entre todos ellos a prorrata de su participación en el capital social. -----

c) Transcurrido el plazo de quince días sin que

ninguno de los socios ejercitara el derecho a que se refiere el apartado anterior, los administradores, durante un nuevo plazo de quince días, podrán designar a un tercero para adquirir dichas participaciones y, en última instancia, la Sociedad podrá adquirir las participaciones ofrecidas para amortizarlas, previo acuerdo de reducción del capital social en un nuevo plazo de quince días a contar desde la expiración del anterior. -----

d) Si alguno de los socios, tercero designado por los administradores o la Sociedad pretendieran ejercitar el derecho de adquisición preferente, los administradores lo comunicarán, por conducto notarial, al socio ofertante en el plazo máximo de dos meses, a contar desde la comunicación a los mismos administradores, y la escritura pública de transmisión deberá otorgarse dentro de los quince días siguientes. -----

La oferta de venta será vinculante para el socio ofertante durante el plazo de dos meses, a contar desde la recepción de la comunicación por los administradores. Transcurrido este plazo sin que los administradores le hubieran comunicado la

identidad del adquirente o adquirentes, quedará libre para realizar la transmisión en las condiciones comunicadas. De igual libertad gozará cuando se le hubiese comunicado la identidad del adquirente o adquirentes y hubieran transcurrido quince días sin otorgar la escritura pública de transmisión. -----

En estos supuestos el socio deberá otorgar la escritura de transmisión en la forma comunicada en el plazo de tres meses, a contar desde la expiración del plazo de dos meses, o de dos meses y quince días, según los casos a que se refiere el párrafo anterior. Transcurrido este plazo, la venta requerirá nueva oferta a la Sociedad. -----

f) El valor de las participaciones será entregado por el socio o socios adquirentes en el momento de otorgarse la escritura de transmisión. -----

g) Si la transmisión proyectada fuese por título oneroso o gratuito distinto de la compraventa, el precio se fijará por acuerdo de las partes y, en su

defecto, se estará al valor real de las participaciones fijado por el auditor de cuentas de la Sociedad, y si no estuviera obligada a la verificación de cuentas, por el auditor que nombre el Registrador Mercantil del domicilio social. ---

B) TRANSMISIÓN MORTIS CAUSA.- -----

La adquisición de alguna participación social por sucesión hereditaria confiere al heredero o legatario la condición de socio, siempre que sea cónyuge, ascendiente o descendiente del socio causante. -----

En los demás casos habrá un derecho de adquisición preferente a favor de los demás socios de las participaciones del socio fallecido, por el valor real que tuvieren el día del fallecimiento del socio, cuyo precio se pagará al contado. La valoración se regirá por lo dispuesto en el Artículo 100 de la Ley de Sociedades de Responsabilidad Limitada, y el derecho de adquisición habrá de ejercitarse en el plazo máximo de tres meses a contar desde la comunicación a la Sociedad de la adquisición hereditaria. -----

También podrá ejercitarse dicho derecho de adquisición preferente desde el momento que la

Sociedad tenga conocimiento del fallecimiento, mediante comunicación dirigida al domicilio del socio fallecido. -----

C) COMUNICACIÓN DE LAS TRANSMISIONES.- -----

En todo caso, la adquisición por cualquier título de participaciones sociales deberá ser comunicada por escrito al Órgano de Administración de la Sociedad, indicando la identificación completa del nuevo socio. Sin este requisito el adquirente no podrá pretender el ejercicio de los derechos de socio. -----

La transmisión de las participaciones con infracción de las normas anteriores no producirán efecto frente a la Sociedad. No obstante lo cual, podrán ser objeto de convalidación por acuerdo unánime de todos los socios en junta general. ----

D) DOCUMENTACIÓN DE LAS TRANSMISIONES.- -----

La transmisión de las participaciones sociales y la constitución del derecho real de prenda sobre ellas se formalizará en documento público. Los restantes

gravámenes deberán constar en escritura pública. -

E) LIBRO REGISTRO DE SOCIOS.- -----

La Sociedad llevará un Libro Registro de socios en el que se harán constar la titularidad originaria y las sucesivas transmisiones, voluntarias o forzosas, de las participaciones sociales, así como la constitución de derechos reales y otros gravámenes sobre las mismas. -----

Cualquier socio podrá consultar este Libro Registro, que estará a cargo del Órgano de Administración. -----

Los socios y los titulares de derechos reales o de gravámenes sobre las participaciones sociales, tienen derecho a obtener certificación de las participaciones, derechos o gravámenes registrados a su nombre. Tales certificaciones no suplen al documento público que sirva de título de propiedad.

-----CAPÍTULO III-----

ARTÍCULO 7.- DE LA JUNTA GENERAL.- -----

Los socios, reunidos en Junta General, decidirán por la mayoría prevista en el artículo 53 de la Ley de Sociedades de Responsabilidad Limitada, los asuntos propios de su competencia. -----

Cada participación social concede a su titular el derecho a emitir un voto. -----

ARTÍCULO 8.- CONVOCATORIA.- La convocatoria de las Juntas generales se hará por el Órgano de Administración, por iniciativa propia o a petición de un número de socios que representen el cinco por ciento del capital social, con quince días de antelación a la fecha en que han de celebrarse. -- Cuando la convocatoria se haga a petición de socios deberá ser convocada dentro del mes siguiente a la fecha en que se hubiere requerido notarialmente a los administradores para convocarla, incluyendo necesariamente en el orden del día los asuntos que hubieran sido objeto de solicitud. ----- Las citaciones a los socios se harán al domicilio que figura en el Libro Registro, por escrito y duplicado, debiendo los socios al recibirlas devolver firmado el ejemplar duplicado o, en su defecto, por acta notarial. ----- En todo caso, la convocatoria expresará el nombre

de la Sociedad, el nombre de la persona que realice la comunicación, la fecha y hora de la reunión, así como el orden del día en el que figurarán los asuntos a tratar. -----

No obstante, la Junta se entenderá convocada y quedará validamente constituida para tratar cualquier asunto siempre que esté, presente o representado, todo el capital social y los asistentes acepten por unanimidad la celebración de la Junta. -----

ARTÍCULO 9.- REPRESENTACIÓN.- Todo socio podrá hacerse representar en la Junta General por medio de otro socio, cónyuge, ascendientes, o descendientes. La representación será a medio de poder notarial o por simple carta, pero en este último caso sólo tendrá valor para el acto para el que haya sido concedida la representación, sin que se pueda utilizar en futuras Juntas. -----

ARTÍCULO 10.- LIBRO DE ACTAS.- Los acuerdos sociales se extenderán en el correspondiente libro de actas, que incluirá necesariamente lista de asistentes y deberá ser aprobada por la propia Junta al final de la reunión o, en su defecto, dentro de los quince días siguientes por el

Presidente de la Junta y dos socios interventores.
Las certificaciones de dicho libro serán expedidas
por el administrador con facultades certificantes.

ARTÍCULO 11.- ÓRGANO DE ADMINISTRACIÓN.- La gestión
y representación de la sociedad se podrá confiar a
un administrador único, a varios administradores
que actúen solidaria o conjuntamente, o a un
Consejo de Administración. -----

Corresponde a la Junta General la facultad de optar
alternativamente por cualquiera de ellos, sin
necesidad de modificación estatutaria. En todo
caso, el acuerdo de modificación del modo de
organización de la administración de la Sociedad se
consignará en escritura pública y se inscribirá en
el Registro Mercantil. -----

El Administrador percibirá una retribución por su
dedicación en concepto de sueldo. Esta retribución
será fijada para cada ejercicio por acuerdo de la
Junta General, conforme al art. 66.3 de la Ley de
Sociedades de Responsabilidad Limitada, y será

revisada anualmente en función de la evolución del
Índice de Precios al Consumo (I.P.C.). -----

La duración del cargo de Administrador será
indefinida, salvo que en el acuerdo de su
nombramiento se determine otra cosa. -----

ARTÍCULO 12.- DEL CONSEJO DE ADMINISTRACIÓN.- -----

Cuando la gestión y representación de la Sociedad
se confíe a un Consejo de Administración, éste
estará formado por un número mínimo de tres
miembros y por un máximo de doce. -----

El Consejo de Administración podrá delegar todas o
parte de sus facultades, legalmente delegables, en
cualquiera de sus miembros y otorgar los
apoderamientos que considere convenientes. -----

El Consejo quedará válidamente constituido cuando
concurran a la reunión, presentes o representados
por otro Consejero, la mitad más uno de sus
miembros. La representación se conferirá mediante
carta dirigida al Presidente. Los acuerdos se
adoptarán por mayoría absoluta de los asistentes a
la reunión, que deberá ser convocada por el
Presidente o quien haga sus veces. La votación por
escrito y sin sesión será válida si ningún
Consejero se opone a ello. Las discusiones y

acuerdos del Consejo de Administración se llevarán a un libro de actas que serán firmadas por el Presidente y por el Secretario. En caso de empate decidirá el voto personal del Presidente. El Consejo se reunirá siempre que lo soliciten dos de sus miembros o lo acuerde el Presidente. Los consejeros serán convocados mediante carta certificada con acuse de recibo, dirigida a la dirección de cada consejero o a la que a estos efectos conste en los archivos de la sociedad, o bien mediante telecopia dirigida al número de fax señalado por cada consejero, en todo caso con siete días de antelación, como mínimo, a la fecha prevista para la reunión. -----

El Consejo, si no lo hubiera hecho la Junta al tiempo de la elección de los Consejeros, designará de su seno un Presidente y un Secretario y, en su caso, un Vicepresidente y un Vicesecretario que, respectivamente, sustituirán al Presidente y al Secretario en los casos de imposibilidad de éstos.

El Secretario y el Vicesecretario podrán no ser Consejeros, en cuyo caso tendrán voz pero no voto y, a efectos de los límites establecidos, no se contarán para determinar el número de miembros del Consejo. El Secretario y, en su caso, el Vicesecretario que no sean Consejeros tendrán, no obstante, facultad para certificar y elevar a públicos acuerdos sociales. -----

ARTÍCULO 13.- FACULTADES DEL ÓRGANO DE ADMINISTRACIÓN.- -----

Issue of EUR 12,648,000 Equity-Linked Notes due February 2010

relating to Banco Bilbao Vizcaya Argentaria SA and Telefonica de Espana S.A.

unconditionally and irrevocably guaranteed by

LEHMAN BROTHERS HOLDINGS INC.

(incorporated in the State of Delaware)

PART A – CONTRACTUAL TERMS

Terms used herein shall be deemed to be defined as such for the purposes of the Conditions set forth in the Base Prospectus dated 9 August 2006 and the supplemental Prospectuses dated 26 September 2006, 17 October 2006 and 19 December 2006. This document constitutes the Final Terms of the Notes described herein for the purposes of Article 5.4 of the Prospectus Directive and must be read in conjunction with such Base Prospectus. Full information on the Issuer and the offer of the Notes is only available on the basis of the combination of these Final Terms and the Base Prospectus as so supplemented

Risk Factors

Prospective investors of Notes should carefully consider the following information in conjunction with other information contained in these Final Terms and the Base Prospectus before purchasing the Notes. The attention of prospective investors is drawn to pages 14 to 25 of the Base Prospectus, headed “Risk Factors”.

These Final Terms however cannot disclose all of the risks and other significant aspects of the Notes and investment decisions should not be made solely on the basis of these risk factors since the information contained herein cannot serve as a substitute for independent individual advice which is tailored to the requirements, investment objectives, experience, knowledge and circumstances of a prospective investor.

Each prospective investor of Notes should consider carefully whether the Notes are suitable for it in the light of its circumstances and financial position and in view of the complexity and risks inherent in the Notes. Prospective investors of Notes should be experienced with respect to derivatives, particularly options and options transactions. Furthermore, prospective investors of Notes should understand the risks of transactions involving the Notes and should reach an investment decision only after careful consideration of the suitability of the Notes in light of their particular financial circumstances and after consultation with their own legal, tax, accountancy and other professional advisers. No person should deal in the Notes unless that person understands fully the nature of the relevant transaction. Such transaction is suitable only for, and should be made only by, an investor who has no need for liquidity and understands and can afford the financial and other risks of this transaction.

Issue Price

The Issue Price in respect of the Notes may not be an accurate reflection of the market value of such Notes as at the Issue Date. The price at which the Notes may be sold in secondary market transactions may be lower than the Issue Price. In particular, the Issue Price in respect of the Notes may take into account, among other things, the distribution fee payable to any appointed distributor of the Notes with respect to the offer and sale of the Notes.

Factors affecting the Shares and the redemption amount under the Notes

Prospective investors in the Notes should be familiar with investments in the global capital market and with derivatives and the Shares generally. The Notes can be volatile instruments. Changes in the price or market value of Shares and/or changes in the circumstances of the Company may result in sudden and large fluctuations in the value of the Notes. The value of the Shares may vary over time and may increase or decrease by reference to a variety of factors, which may include, but are not limited to, corporate actions and macro economic factors.

The Final Redemption Amount is variable and dependant on the Closing Price of each Share on the Final Observation Date relative to such Share's Initial Price. Prospective investors should be aware that the Notes are not capital protected. If the Notes are not redeemed early following a Mandatory Early Redemption Event, as described below and the Final Price of the Worst Performing Share is less than the Floored Initial Price of such Share, the Final Redemption Amount will be less than 100 per cent. of the Issue Price and may even be nil.

The Notes may be redeemed prior to maturity

In the event that the Issuer or the Guarantor would be obliged to increase the amounts payable in respect of any Notes due to any withholding or deduction for or on account of, any present or future taxes, duties, assessments or governmental charges of whatever nature imposed, levied, collected, withheld or assessed by or on behalf of The Netherlands or the USA, as the case may be, or any political subdivision thereof or any authority therein or thereof having power to tax, the Issuer may redeem all outstanding Notes in accordance with the Terms and Conditions.

In the event of early redemption, a holder of Notes (a "Noteholder") may not be able to reinvest the redemption proceeds in a comparable security and receive a return on investment which is as high as that of the Notes. The Issuer is not liable for any disadvantage a Noteholder may incur in respect of the new investment or non-investment of its capital.

Where the Closing Price of both Shares on an Observation Date (other than the Final Observation Date) is higher than such Share's respective Initial Price, the Notes will be redeemed on the relevant Mandatory Early Redemption Date at the Mandatory Early Redemption Amount. The Mandatory Early Redemption Amount is set out in the Annex to these Final Terms.

Early Redemption Amount and Cancellation Amount

In the event of an early redemption for taxation reasons or in an event of default (as described in Item 23 of the Terms and Conditions of the Notes) or as a result of a Merger Event, Tender Offer Event, Nationalisation, Insolvency or Delisting as determined by the Calculation Agent (as described in the Annex), the Issuer may cancel the Notes and, if permitted by applicable law,

pay the holder of each Note the Early Redemption Amount or the Cancellation Amount, as the case may be. The amount payable will be calculated by reference to the fair market value of the Notes as determined by the Calculation Agent in its sole and absolute discretion and may be reduced by an amount referable to the cost to the Issuer of unwinding any related hedging arrangements as determined by the Calculation Agent. Investors in the Notes should understand that such Early Redemption Amount, or the Cancellation Amount, as the case may be, may be less than the Issue Price of the Notes or the amount the investor has paid for the Notes or the principal amount of the Notes, and may even be nil.

Creditworthiness of the Issuer and Guarantor

Any person who purchases the Notes is relying upon the creditworthiness of the Issuer and the Guarantor and has no rights against any other person. The Notes constitute general, unsecured, unsubordinated, contractual obligations of the Issuer and of no other person. The Notes rank pari passu among themselves.

Secondary market and liquidity for the Notes

There can be no assurance as to how any Notes will trade in the secondary market, whether there will be a secondary market or, if a secondary market exists, whether such market will be sustainable or liquid or illiquid.

The liquidity of the Notes may also be affected by restrictions, if any, on offers and sales of the Notes in some jurisdictions. In any case, due to the relative complexity and lower liquidity of the Notes if compared to more conventional financial instruments such as shares, comparatively larger spreads between bid and ask quotes should be expected.

Potential conflicts of interest

The Issuer, the Guarantor, the Dealer, the Calculation Agent and/or their respective subsidiaries may, from time to time, engage in purchase, sale or other transactions involving the Shares or related derivatives for their proprietary accounts and/or for accounts under their management and/or for clients. Such transactions may have a positive or negative effect on the price of the Shares and consequently on the value of the Notes. In addition, the Issuer, the Guarantor, the Dealer, the Calculation Agent and/or their respective subsidiaries may, from time to time, act in other capacities with regard to the Notes (such as in an agency capacity and/or as the calculation agent) and may issue or participate in the issue of other competing financial instruments in respect of the Shares or similar shares in similar sectors or markets and the introduction of such competing financial instruments may affect the value of the Notes. The Issuer, the Guarantor, the Dealer, the Calculation Agent and/or their respective subsidiaries may also (i) act as underwriter or financial adviser in connection with future offerings of shares or other securities of the Company, any of its subsidiaries or affiliates and/or (ii) act in a commercial banking capacity for such companies in relation to any other related securities. Such activities could present certain conflicts of interest with the interest of Noteholders and may affect the value of the Notes. The Issuer, the Guarantor, the Dealer, the Calculation Agent and/or their respective subsidiaries owe no duty or responsibility to any Noteholder (or any other party) to avoid such conflicts.

In connection with the offering of the Notes, the Issuer, the Guarantor, the Dealer, the Calculation Agent and/or their respective subsidiaries may enter into one or more hedging transactions with respect to the Shares or related derivatives. In connection with such hedging or with respect to proprietary or other trading activities by the Issuer, the Guarantor, the Dealer, the Calculation Agent and/or their respective subsidiaries, the Issuer, the Guarantor, the Dealer, the Calculation Agent and/or their respective subsidiaries may enter into transactions in the Shares or related derivatives which may affect the market price, liquidity or value of the Notes and which could be deemed to be adverse to the interests of the relevant Noteholders.

Such transactions could present certain conflicts of interest with the interest of Noteholders and may affect the value of the Notes. The Issuer, the Guarantor, the Dealer, the Calculation Agent and/or their respective subsidiaries owe no duty or responsibility to any Noteholder (or any other party) to avoid such conflicts.

Investing in the Notes is not the same as investing in the Shares

Prospective investors should be aware that the market value of the Notes may not have a direct relationship with the prevailing price of the Shares, in that changes in the prevailing price of the Shares will not necessarily result in a comparable change in the market value of the Notes.

Risk-excluding or risk-limiting transactions

Prospective investors may not rely upon being able to enter into transactions, which may exclude or limit loss exposure to the Notes during the term of the Notes. The possibility of entering into risk-excluding or risk-limiting transactions depends in particular on market conditions and the relevant underlying circumstances. Noteholders may be able to enter into such transactions only at an unfavourable market price resulting in an additional loss for such Noteholders.

Prospective investors intending to purchase Notes to hedge the market risk associated with investing in the Shares should be aware of the difficulties associated therewith. For example, the value of the Notes may not exactly correlate with the value of the Shares.

Determinations by the Calculation Agent

The Calculation Agent has certain discretions to determine whether certain events as further set out in the Annex have occurred. Prospective investors should be aware that any determination made by the Calculation Agent may have an adverse effect on the value of the Notes. For example, the Calculation Agent may determine that a Market Disruption Event has occurred or exists at a relevant time which may affect the determination of the price of the Shares on a relevant Scheduled Trading Day and/or may delay settlement in respect of the Notes. Any such discretion exercised by, or any calculation made by, the Calculation Agent (in the absence of manifest error) shall be binding.

Adjustments

The Calculation Agent may adjust the terms of the Notes in the case of a Potential Adjustment Event, Merger Event, Tender Offer, Nationalisation, Insolvency or Delisting pursuant to terms as set out in the Annex to these Final Terms. Such adjustment may have an adverse impact on

the value of the Notes. Any such discretion exercised by, or any calculation made by the Calculation Agent (in the absence of manifest error) shall be binding.

Because the Global Notes are held by or on behalf of Euroclear and Clearstream, Luxembourg, investors will have to rely on their procedures for transfer, payment and communication with the Issuer.

The Notes will be represented by one or more Global Notes. Such Global Notes will be deposited with a common depositary for Euroclear and Clearstream, Luxembourg. Except in the circumstances described in the relevant Global Note, investors will not be entitled to receive definitive Notes. Euroclear and Clearstream, Luxembourg will maintain records of the beneficial interests in the Global Notes. While the Notes are represented by one or more Global Notes, investors will be able to trade their beneficial interests only through Euroclear and Clearstream, Luxembourg.

While the Notes are represented by one or more Global Notes the Issuer will discharge its payment obligations under the Notes by making payments to the common depositary for Euroclear and Clearstream, Luxembourg for distribution to their account holders. A holder of a beneficial interest in a Global Note must rely on the procedures of Euroclear and Clearstream, Luxembourg to receive payments under the Notes. The Issuer has no responsibility or liability for the records relating to, or payments made in respect of, beneficial interests in the Global Notes.

Holders of beneficial interests in the Global Notes will not have a direct right to vote in respect of the relevant Notes. Instead, such holders will be permitted to act only to the extent that they are enabled by Euroclear and Clearstream, Luxembourg to appoint appropriate proxies. Similarly, holders of beneficial interests in the Global Notes will not have a direct right under the Global Notes to take enforcement action against the Issuer in the event of a default under the Notes but will have to rely upon their rights under the deed of covenant dated 9 August 2006 (as amended, supplemented or replaced from time to time), executed by Lehman Brothers Holdings Inc. ("LBHI"), Lehman Brothers Treasury Co. B.V. ("LBTCBV") and Lehman Brothers Bankhaus AG ("LBB").

- (ii) Otherwise, if the Final Price_{Worst} is less than Initial Price_{Worst}:

$$\text{FRA} = \text{SD} \times 100\%$$

In respect of each Note, the Equity-Linked Coupon Amount (“CA”) payable on each Interest Payment Date shall be an amount in the Specified Currency determined by the Calculation Agent on each Observation Date (including the Final Observation Date) in accordance with the following formula:

4 February 2009	SD x 108%	9 February 2009

Share-for-Other means, in respect of a Merger Event or Tender Offer, that the consideration for the relevant Shares consists solely of Other Consideration;

Share-for-Combined means, in respect of a Merger Event or Tender Offer, that the consideration for the relevant Shares consists of Combined Consideration;

New Shares means ordinary or common shares, whether of the entity or person (other than the Basket Company) involved in the Merger Event or the making of the Tender Offer or a third party, that are, or that as of the Merger Date or Tender Offer Date are promptly scheduled to be, (A) publicly quoted, traded or listed on an exchange or quotation system located in any member state of the

European Union; and (B) not subject to any currency exchange controls, trading restrictions or other trading limitations;

Other Consideration means cash and/or any securities (other than New Shares) or assets (whether of the entity or person (other than the Basket Company) involved in the Merger Event or the making of a Tender Offer or a third party); and

Combined Consideration means New Shares in combination with Other Consideration.

If a Merger Event or a Tender Offer occurs, the Calculation Agent will in its sole and absolute discretion take any of the actions described in (1) (2) (3) and/or (4) below, as applicable:

- (1) (a) in respect of each Share-for-Share Merger Event, on or after the relevant Merger Date make such adjustment(s) the Calculation Agent acting in its sole discretion considers appropriate to reflect the number of New Shares to which a holder of one relevant Share immediately prior to the occurrence of the Merger Event would be entitled upon consummation of the Merger Event and the New Shares will be deemed to be the relevant Shares and the issuer thereof will be deemed the Basket Company, respectively, and, if necessary, the Calculation Agent will adjust any other relevant terms (including, without limitation, adjustments to account for changes in volatility, expected dividends, stock loan rate or liquidity relevant to the Shares);
- (b) in respect of each Share-for-Other Merger Event, on or after the relevant Merger Date, the amount of Other Consideration (as subsequently modified in accordance with any relevant terms and including the proceeds of any redemption, if applicable) to which a holder of one relevant Share would be entitled upon consummation of the Merger Event will be applied by the Calculation Agent to determine such adjustment(s) as it acting in its sole discretion considers appropriate in respect of such Share, and, if necessary, the Calculation Agent will adjust any other relevant terms (including, without limitation, adjustments to account for changes in volatility, expected dividends, stock loan rate or liquidity relevant to the Shares); or
- (c) in respect of each Share-for-Combined Merger Event, on or after the Merger Date, the number of New Shares and the amount of Other Consideration (as subsequently modified in accordance with any relevant terms and including the proceeds of any redemption, if applicable) to which a holder of one of the relevant Shares would be entitled upon consummation of the Merger Event will be applied by the Calculation Agent to determine such

adjustment(s) as it acting in its sole discretion considers appropriate with respect to the affected Shares and the Issuer of such New Shares and, if necessary, the Calculation Agent will adjust any other relevant terms (including, without limitation, adjustments to account for changes in volatility, expected dividends, stock loan rate or liquidity relevant to the Shares);

- (2) if at any time the Calculation Agent determines that a Merger Event or Tender Offer has led, or would lead, to the merger, consolidation or any other combination of the Shares of two or more Basket Companies (a **"Basket Company Merger"**), the Calculation Agent will determine which original Basket Company or Basket Companies should cease to be treated as a Basket Company or Basket Companies for the purpose of these Conditions (each a **"Replaced Basket Company"**) and shall be entitled to select one or more new entities (as the case may be) (each a **"Replacement Basket Company"**) to be a Basket Company in place of the Replaced Basket Company or Basket Companies as of a date determined by the Calculation Agent (a **"Replacement Date"**). Any Replacement Basket Company will, to the extent practicable, be selected from the same industry, have shares denominated in the same currency and have a similar market capitalisation to the relevant Replaced Basket Company;
- (3) on or after the relevant Merger Date or Tender Offer Date (A) make such adjustment(s) to the exercise, interest, payment or any other terms of the Notes as the Calculation Agent determines appropriate to account for the economic effect of such Merger Event or Tender Offer (provided in the case of a Tender Offer, the Shares will not change) and (including, without limitation, adjustments to account for changes in volatility, expected dividends, stock loan rate or liquidity relevant to the Shares), which may, but need not, be determined by reference to the adjustment(s) made in respect of such Merger Event or Tender Offer by an options exchange to options on the relevant Shares traded on such options exchange and (B) determine the effective date(s) of such adjustment(s); and/or
- (4) either:
 - (d) cancel the Notes in whole only and pay the Cancellation Amount (if any); or
 - (e) determine which original Basket Company or Basket Companies should cease to be treated as a Basket Company or Basket Companies for the purpose of these Conditions and pay the Cancellation Amount (if any).

If a Merger Date or Tender Offer Date is scheduled to be after the Final Observation Date, the Calculation Agent will determine, with respect to the theoretical value of the Notes, the economic effect of the

announcement of a potential Merger Event of Tender Offer Event (including, without limitation, any change in volatility, expected dividends, stock loan rate or liquidity relevant to the Shares) from the announcement date to such Final Observation Date, as applicable. If such economic effect is material, the Calculation Agent shall (acting in its sole and absolute discretion) adjust the terms of the Conditions to reflect such economic effect.

(D) ***Nationalisation and Insolvency:*** If a Nationalisation or Insolvency occurs, the Calculation Agent shall, in its sole and absolute discretion take any of the actions described in (1) and/or (2) below:

- (1) on a Nationalisation, acting in its sole and absolute discretion, either:
 - (a) treat the affected Basket Company as a Replaced Basket Company and select a Replacement Basket Company in the manner specified in paragraph (C) (2) above; or
 - (b) make such other adjustment(s) to the terms of the Conditions or such determination as the Calculation Agent, acting in its sole and absolute discretion, considers appropriate to account for the Nationalisation; and/or
- (2) either:
 - (a) request the Issuer to cancel the Notes in whole only and pay the Cancellation Amount (if any); or
 - (b) determine which original Basket Company or Basket Companies should cease to be treated as a Basket Company or Basket Companies for the purpose of these Conditions and request the Issuer to pay the Cancellation Amount (if any).

(E) ***Delisting:*** If a Delisting occurs, the Calculation Agent shall, in its sole and absolute discretion, take either of the actions described in (1) or (2) below:

- (3) treat the affected Basket Company as a Replaced Basket Company and select a Replacement Basket Company in the manner specified in (C) (2) above; or
- (4) either:
 - (a) request the Issuer to cancel the Notes in whole only and pay the Cancellation Amount (if any); or
 - (b) determine which original Basket Company or Basket Companies should cease to be treated as a Basket Company or Basket Companies for the purpose of these Conditions and request the Issuer to pay the Cancellation Amount (if any).

- (F) ***Valuation of Shares of Replacement Basket Companies:*** In calculating the Early Redemption Amount, Mandatory Early Redemption Amount or Final Redemption Amount, as the case may be, the Initial Price for the Replacement Basket Company Share shall be deemed to be the product of (a) the Closing Price of the Replacement Basket Company Share on the relevant Replacement Date, and (b) the quotient of the relevant Initial Price for the Replaced Basket Company Share and the Closing Price for the Replaced Basket Company Share on the relevant Replacement Date (as adjusted by the Calculation Agent in its discretion to reflect the cost to the Issuer or any affiliate of replacing the affected Share and adjusting any associated hedging arrangements).

7. **Notification of Early Redemption, Mandatory Early Redemption Amount, Final Redemption Amount, Disrupted Days, Potential Adjustment Events and Extraordinary Events**

- (i) As soon as reasonably practicable after calculating or otherwise determining the Early Redemption Amount, the Mandatory Early Redemption Amount or the Final Redemption Amount, as the case may be, the Calculation Agent shall give notice of the relevant amount to the Issuer.
- (ii) The Calculation Agent shall as soon as reasonably practicable notify the Issuer of the existence or occurrence of a Disrupted Day on any day which but for such Disrupted Day would have been an Observation Date.
- (iii) Upon the occurrence of a Potential Adjustment Event or Extraordinary Event, the Calculation Agent shall give notice as soon as practicable to the Issuer stating the occurrence of the Potential Adjustment Event, or Extraordinary Event, as the case may be, giving details thereof and the action proposed to be taken in relation thereto.

However, Noteholders should be aware that there may be, necessarily, some delay between the time at which any of the above events occur and the time at which it is reported to Noteholders.

8. **The Calculation Agent**

The Calculation Agent shall act independently and not as an agent of the Issuer, the Guarantor or the Noteholders. All determinations made by the Calculation Agent hereunder shall, in the absence of manifest error, wilful default or bad faith, be final and conclusive, and the Calculation Agent shall have no liability to the Issuer, the Guarantor, the Noteholders or any third party in relation to such determinations except in the case of its wilful default, or bad faith.

Nothing contained herein shall prevent the Calculation Agent from dealing in the Notes or from entering into any related transaction, including without limitation any swap or

hedging transactions with the Issuer, the Guarantor (or any of their respective affiliates)
or any holder of the Notes (or any of its affiliates).
